Madison Middle School PTSA Membership Form – 2014-2015

Madison PTSA needs you. Join the PTSA and help support our school! A Madison PTSA membership carries with it a vote on important issues at Madison. It also gives you membership to both the Seattle Council PTSA and Washington State PTA. Your membership, combined with over 145,000 other members, provides a powerful voice on educational issues. All parents, faculty, and students are encouraged to participate.

Many studies on the relationship between student performance and parent involvement in education have shown that when parents are involved in education, student academic performance improves.

The fee is \$12 for an individual or \$22 for two individuals from the same household. It is our goal to have 100% participation by making membership available to anyone wishing to join. Please note, that your membership is very important, but it does not contribute to fundraising efforts for Madison PTSA. If you need assistance and would like your membership fee waived, please indicate a scholarship need below. Students do not need a paid membership. They are able to attend meetings as honorary, non-voting members.
