Parental control

A great place to compare software is the Consumer Reports website. Here is a great article

about this: <http://internet-filter-review.toptenreviews.com/>

<http://cell-phone-parental-control-software-review.toptenreviews.com/>

<http://www.consumerreports.org/cro/magazine/2012/06/facebook-your-privacy/index.htm>

Free parental control software to download:

<http://www.freewaregenius.com/2011/10/11/protect-your-children-online-with-gustodio/>

www.opendns.org (free of charge to download, but pay for more advanced versions.)

More parental controls:

<http://www.mymobilewatchdog.com/>

<http://www.mobile-spy.com/>

<http://www.mobile-spy.com/>

<http://www.mobistealth.com/>

Ipad parental controls:

<http://support.apple.com/kb/ht4213>

Ipod parental controls:

<http://support.apple.com/kb/ht1904>

Password protect wireless:

<http://www.toplang.com/internetlock.htm>

Sites for your student to avoid:

www.chatroulette.com

www.omegle.com

www.youopenbook.org

www.pipl.com
