

Madison Middle School PTSA Membership Form – 2016-2017

Madison PTSA needs you! Become a paid PTSA Member today to support our school, and you automatically become a member of the Seattle Council PTSA and Washington State PTA. Your membership, combined with over 145,000 other members in our State, provides a powerful voice on educational issues. Madison PTSA Members also get a vote on important PTSA matters that impact your child. All parents, faculty, and students are encouraged to participate.

Several studies on the relationship between student performance and parent involvement in education have shown that **when parents are involved in education, student academic performance improve significantly.**

For a nominal fee of **\$12 for an individual or \$22 for two individuals from the same household**, you can help our PTSA reach its goal of having 100% participation by our parents in PTSA matters. If you need assistance and would like your membership fee waived, please indicate a scholarship need below. Students do not need a paid membership and are able to attend meetings as honorary, non-voting members. Please note that your membership fee does not contribute to fundraising efforts of our PTSA.
