

Specific Supplies by grade level:

6th graders:

- 3-ring binder (3" to 4" wide) with 6 dividers
- 3 single subject spiral notebook for math, science, and other. (optional graph notebook for math)
- 3 single-subject hardcover composition books (for Language Arts and Social Studies + 1 additional for when LA notebooks are full)
- One pack of 3" by 3" Post-it note pads
- Highlighters
- Two rolls of clear tape

8th graders:

- 1 (one) 3-ring binder
 - 2 1/2 inch wide – This is for all of your other subjects. **Or** 3 (three) 1 1/2" binders
 - No cloth or zippered binders!
 - 1 set of Binder Section Dividers per binder
- 2 Composition Books for Humanities
- 1 Spiral Notebooks for Math
- Loose graph paper – 1 package
 - Expect to need around 200+ sheets this year. This paper will not all fit in your binder, so plan to keep most of it in your locker and some of it at home. It should be 3-hole punched. It is best if you can get the 4 or 5 squares per inch or centimeter squares. Again, please stick to basic white.
- One pack of 3" by 3" Post-it note pads
- Highlighters
 - Have a set of 4 different colored highlighters with you at all times. The thinner kind is better for our purposes.
- Ruler
 - Make this metric and standard (centimeters and inches). A 12-inch is best. The ones with holes to put in the binder are great!

*There may be additional requirements from individual teachers

Bought a pair - have a spare to share? Bring it to the main office for students needing assistance preparing for school.

7th Grade Student Supply List: for the 2016-17 school year

Class	General Supplies: To be used in all classes (leave extras in your locker)	Core Class: Math	Core Class: Science	Core Class: Language Arts	Core Class: History	Core Class: Advisory
