

Madison PTSA “Back to School” Supply Drive

September 5 - 30, 2018

Providing enrichment for the whole student

Part of the mission of the Madison PTSA is to provide classroom support when teachers want or need something beyond what is provided by their district supply budgets. The donations that we receive from the Back to School Supply Drive, allows the PTSA to fund numerous programs and needs at Madison. The PTSA has committed to fundraising to provide the items below, along with ones we haven't thought of yet! We provide funds to each teacher to make their classroom ready for students AND each department to make sure they can fund exciting and fulfilling curriculum. If you donate one of these amounts, this is what your dollars could pay for:

- **\$500**
 - 10 Emergency Backpacks– we committed to putting one in every classroom!
 - Purchase additional textbooks to make full sets, as the school grows
- **\$250**
 - Pays for 25 students to have online curriculum access
 - Ensures that one teacher will have the classroom supplies they need
 - Funds an exciting and transformative speaker to come into classrooms for a day
 - Brings a Parent Education presentation to the school
- **\$100**
 - Supports Schoology Training for parents at a local library
 - Provide specialized supplies for one art project
